

# Programming using **C**

## Highlights 05:: for loop

```
#include <stdio.h>

#include <conio.h>

main()
{
    int i;
    for(i = 1;i<=10;i++)
    {
        printf("\ni = %d",i);
    }
    printf("\ni = %d",i);
    getch();
}
```
