

Programming using **C**

Highlights 05:: for loop

```
#include <stdio.h>

#include <conio.h>

main()

{

    int i;

    for(i = 1;i<=10;i++);

    {

        printf("\ni = %d",i)

    }

    printf("\ni = %d",i);

    getch();

}
```
