

# Programming using C

## Highlights 09:: Loop to sum up numbers from 1 to 10

```
#include <stdio.h>
```

```
#include <conio.h>
```

```
#include <stdio.h>
#include <conio.h>

main()
{
    int i, sum = 0;
    for(i = 1; i <= 10; i++)
    {
        sum = sum + i;
        printf("\nsum = %d", sum);
    }
    getch();
}
```

```
#include <stdio.h>
#include <conio.h>

main()
{
    int i, sum = 0;
    for(i = 1; i <= 10; i++)
        sum = sum + i;
    printf("\nsum = %d", sum);

    getch();
}
```
