

Programming using C

Highlights 21:: Math Header – fmin fmax

```
#include <stdio.h>
#include <stdlib.h>
#include <math.h>

main()
{
    float x1,x2,res;
    printf("\n number 1: ");
    scanf("%f",&x1);
    printf("\n number 2: ");
    scanf("%f",&x2);
    res = fmin(x1,x2);
    printf("\nresult: %f",res);
}
```
